

POLYUREA PROJECT PROFILE

PROJECT:	San Diego Convention Center
INDUSTRY:	Construction, waterproofing
USE:	Concrete protection, waterproofing, skid and slip resistance
OWNER:	San Diego Unified Port District, USA
SYSTEM:	Nukote Autodeck
COATED AREA:	1,400 m ²
COMPLETION DATE:	January 2005
INSPECTION RESULTS:	Excellent, thus far

JOB DESCRIPTION:

Nukote Autodeck was applied to a properly prepared concrete substrate. Nukote Autodeck was chosen for this project due to the long-term performance, fast-return-to-service time, and price.
